

Eggsplorers Training Day with Sue Tinker!

Telling Eggcellent Bible Stories!

Would you like new resources and ideas to help children engage with Bible Stories in a meaningful and stimulating way?

Bible Eggsplorers are so much more than hand-made, attractive, accessible, colourful wooden toys in the shape of eggs! They are a very well thought through 'tool' for getting a better understanding of the concepts and beliefs that underpin key biblical narratives.

Come to our Eggsplorers Training Day on:

Saturday 21st April 2018, 10-4pm, Church House, North Shields.

Please bring your own lunch.

You will experience a wide range of Bible stories and explore how crafts and activities encourage children to explore the meaning of the stories to people of faith. There will also be time for you to make some cheats and props that will help you to tell the stories in your own context!

Fun, practical and educational - this will be an essential day for anyone who wishes to develop their confidence in their teaching of Christianity.

To book a place, please contact Judith Sadler on **0191 2704152** or j.sadler@newcastle.anglican.org
